Make sure it is well learned and from memory.

Get your room ready and put away everything you do not want to see in the video.

### Step 3

With the help of someone in your house, when it is quiet around you, record your piece with the following steps

1. Introduce yourself and your piece.
2. Play your piece (make sure you are recording!)
3. bow and....smile!

### Step 4

Watch your video to make sure you are happy
